DOCKET NO. 1827**BEFORE THE JUDICIAL PANEL ON MULTIDISTRICT LITIGATION****IN RE TFT-LCD (FLAT PANEL) ANTITRUST LITIGATION****(SEE ATTACHED SCHEDULE)****CONDITIONAL TRANSFER ORDER (CTO-1)**

On April 17, 2007, the Panel transferred seven civil actions to the United States District Court for the Northern District of California for coordinated or consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407. *See* ___ F.Supp.2d ___ (J.P.M.L. 2007). With the consent of that court, all such actions have been assigned to the Honorable Susan Yvonne Illston.

It appears that the actions on this conditional transfer order involve questions of fact that are common to the actions previously transferred to the Northern District of California and assigned to Judge Illston.

Pursuant to Rule 7.4 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, 199 F.R.D. 425, 435-36 (2001), these actions are transferred under 28 U.S.C. § 1407 to the Northern District of California for the reasons stated in the order of April 17, 2007, and, with the consent of that court, assigned to the Honorable Susan Yvonne Illston.

This order does not become effective until it is filed in the Office of the Clerk of the United States District Court for the Northern District of California. The transmittal of this order to said Clerk shall be stayed 15 days from the entry thereof. If any party files a notice of opposition with the Clerk of the Panel within this 15-day period, the stay will be continued until further order of the Panel.

I hereby certify that the annexed instrument is a true and correct copy of the original on file in my office.
